

JULY FIELD TRIP AGENDA

DATE July 12th, 2022

TIME 10:00am-2:00pm MST- Please show up at 9:50 am so we can start at 10 am.

LOCATION Meet at **Zims Hot Springs**, 2995 Zims Road, New Meadows, ID 83654

In an effort to reduce vehicles, we will have the New Meadows Senior Center van that seats 14 people available for anyone to join.

Walking short distances over uneven terrain will be necessary to view our site destinations. We will provide drinks, but please remember to bring a bag lunch. Camp chairs are also recommended to be comfortable during lunch.

SCHEDULE

10:00 – Introductions and field tour logistics

10:10 – Travel to Osborn property

10:30 – View the riparian restoration actions that took place and discuss lessons learned and potential for other private property restoration.

11:30 – Questions and discussion

11:45 – Travel to Hazard Creek (pull off at the Hazard Creek sign-right side of road of Hwy 95)

12:00 – Lunch at Hazard Creek confluence- bring a camp chair for seating

1:00 – Discussion on work that could take place on the BLM land (example graveling the Hazard Creek Road) to improve water quality in the Little Salmon.

1:15 – Questions and discussion

1:30 – Drive back to Zims

1:45 – Quick discussion to end field tour

2:00 – Adjourn

Next Little Salmon Collaborative Field Trip is August 16th, we will go to Rapid River Hatchery
