For those attending remotely:

<https://us06web.zoom.us/j/81830185358?pwd=S0FiL2VZYkk5cWMyRXFrUVFacWE0dz09>

Meeting ID: 818 3018 5358 Passcode: 879043 Phone # 346-248-7799

SCHEDULE

11:00 – Introductions

11:10 – Presentation from Matt Steinwurtzel (University of Idaho graduate student) comparing thermal profiles of natural beaver dams vs beaver dam analogues using drone imagery.

11:40 – Questions and discussion

12:00 – Lunch, unorganized discussion time

12:30 – Website updates and new additions

- Five-year outlook
- Grant opportunities
- Frequently asked questions

1:00 – Break

1:10 – Presentation from the Nez Perce Tribe showing a draft story map that highlights past and current restoration projects and methods along the Little Salmon River

- Past restoration form for interested landowners to contribute story map content
- List of potential restoration opportunities

2:00 – Collaborative discussion on the interactive map

2:30 – Wrap up discussion. We will take a 2-month break from meeting in person. The steering committee will continue to meet monthly to finish the website, story map and interactive map. A collaborative meeting will occur in February to look at the final products of the collaborative and discuss future restoration opportunities.

3:00 – Adjourn

FINAL MEETING: February 14th, 2023, 11:00am-3:00pm MST at the New Meadows Community Center
